WELCOME

TO ROYAL WINDSOR RACECOURSE

THE HOME OF MONDAY NIGHT RACING

Our vibrant racecourse is steeped in racing history and located on the banks of the River Thames and just a stone's throw away from Windsor Castle. Royal Windsor's Flat racing season runs from May - September with 22 flat fixtures on offer, featuring an abundance of live entertainment paired with a gripping card of races.

Following its return in 2024 after two decades, jumps racing at Royal Windsor took another leap forward in 2026 in welcoming back the New Year's Day fixture, and we're really excited about holding this fixture again in 2027.

Equally, the Berkshire Winter Million has now become an established festival in the Windsor racing calendar. Following the successful second edition in January 2026, this has now become a must-attend event to kick start the year.

Alongside our atmospheric Monday Night Racing series - the ideal tonic after the first day of the working week - highlights of the calendar include three Summer Saturday fixtures ranging from the ever-popular Ladies Day in June to the prestigious Group 3 Winter Hill Stakes in August.
